Ms. Irma | 19 Feb
Ms. Fitri | 01 Mar
Ms. Kate | 08 Mar
Ms. Afiva | 18 Mar
Ms. Rani | 27 Mar
Ms. Mesa | 28 Mar

Celebration

新春佳节即将来临，我们学校 IShine 在 2025年二月八日成功举办了一场精彩的春节表演活动，让孩子们在欢乐的氛围中感受中国传统文化。在本次活动中，孩子们身穿喜庆的春节服饰，带来了丰富多彩的节目。部分孩子表演了欢快的舞蹈，如《欢乐中国年》和《福气一来到》。小班的孩子们参与了“摘红包”活动、进行了服装展示，并分享了与春节相关的词汇和新年祝福语。大班的孩子们朗诵了《三字经》，讲解了春节的习俗，并表达了对新年的美好祝愿。此外，孩子们还演唱了中文歌曲《新年好》，并展示了他们在课堂上学到的中文词汇和短句，让家长们见证了他们的进步。

Celebration

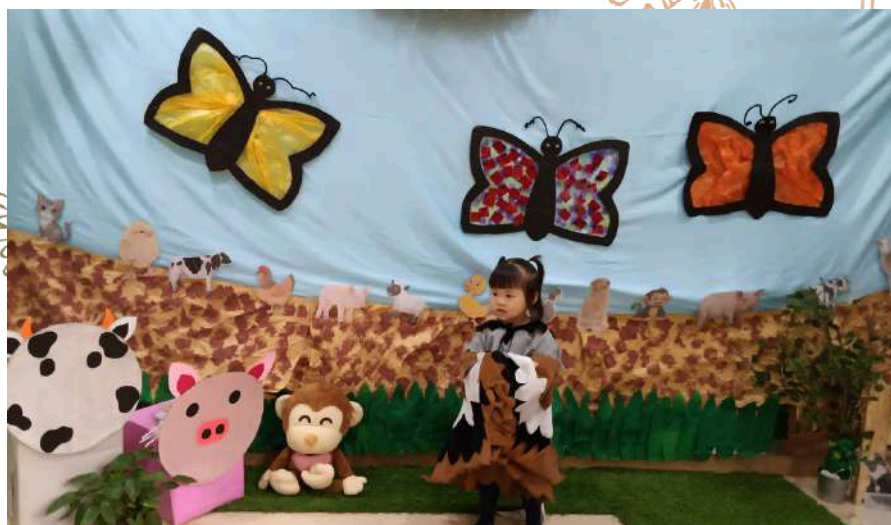

本次活动不仅让孩子们体验了中国传统节日的魅力，也增强了他们对中华文化的兴趣和认同感。看到孩子们开心的笑脸和自信的表演，我们深感欣慰。

感谢各位家长的支持与配合，让这次春节表演圆满成功！祝愿大家在新的一年里，身体健康，万事如意

Day

On Friday, 21st February, 2025, IShine Kelapa Gading celebrated Animal Appreciation Day with a fun-filled event that brought everyone closer to the animal world. The day began with everyone dressing up in creative animal costumes, adding excitement to the atmosphere.

We also brought along various animals, including ducks, chickens, fish, cats, hamsters, crickets, and more, allowing for a hands-on interaction experience. Children and adults alike had the chance to bond with these animals, learning about their behaviors and characteristics.

Day

In addition to interacting with the animals, we engaged in crafting sessions where we created beautiful animal-themed art, sparking creativity and imagination. The event also featured storytelling, where we read books about animals, sharing fascinating facts and adventures of the animal kingdom.

It was a day filled with appreciation for the creatures around us, filled with joy, learning, and connection.

Funtasia

Ishine Kelapa Gading Nursery and Kindergarten conducted the second field trip on Friday, March 21, 2025, on the last day of term three before the term break. This time we went to Funtasia Museum by Minitopia, a new field trip spot in the BSD area. We gathered at our lovely school and took some class photos with friends, teachers and the mascot of the bus. We enjoyed our trip for one hours by singing and eating our snacks in the bus.

Funtasia

We arrived at our destination and then took some group photos with our field trip banner. We divided into some groups with the guides and started our journey in the museum. The nurseries started from the "farm" area first to explore and do the activities, while the kindergartens started from the "science" area. We finished all the activities and had lunch before we went back to school around 1 p.m. We had so much fun.

Reuse, Reduce, Recycle

The Ishine Preschool Edufair Kelapa Gading was held from Friday, 28 Feb, until Saturday, March 9, 2025, at Mall of Indonesia with the theme "Reuse, Reduce, Recycle". Which brought the care and love for our earth and also showed that we can use the used materials and turn them into beautiful crafts. Our students were very proud of their projects as well as amazed the customers.

Reuse, Reduce, Recycle

Our dedicated teachers were available throughout the event to provide insight into our programmes and teaching methods. They shared how IShine Preschool fosters love from learning through play-based, hands-on experiences tailored to each child's developmental mental stage.

We also had the opportunity to have the stage to perform the simple drama and dances from our lovely students with "Jakarta and Rhythms" as our theme on Saturday, March 8. They all danced happily with some Betawi songs and the drama performed by our kindergarten students.
